Actors in 2001 and 2002 networks
(relative change in significance)

New actors per November 2002
(relative significance by inlink count)

Actors departing the network in 2002
(* referenced by certain network actors in 2002)

Russian-language HIV-AIDS network on the Web, 2002, with links to Ukrainian and Baltic networks

Ukrainian HIV-AIDS network on the web, 2002

In comparison to 2001, Ukrainian groups have begun to network amongst themselves more intensively in 2002, with linkages with the Russian groups becoming less evident.
